INTRAMURAL GIRLS VOLLEYBALL

Permission Slip 2020

Dear Parents,

Intramural Girls Volleyball begins on **Tuesday, February 11th**. All grade levels may participate. Practices will focus on rules, skill development, team work, game play, and a final tournament. Practices will run **after school** until **5:05**. See the back of this form for a complete practice schedule and please **keep this schedule at home**.

Please have rides arranged to pick up your child at **5:05**, unless they have permission to walk home. With traffic, please plan accordingly to be here slightly before 5.

Interested individuals should come with a change of clothes and ready to participate. We will meet after school in the gym.

Intramural Girls Volleyball is a pay to participate activity. If you have not paid your one-time club/intramural fee (\$50) for the year, please do so at this time through Payschools. Payschools is available through the TSD website. If you have any questions regarding the program, please feel free to contact us.
